## SERMON

### For Conscience Sake Romans 14:1-13 Sermon Notes

#### Questions for consideration:

1. We may not judge the faith of others according to the food they eat or do not eat, but how may we similarly judge the faith of others by their actions?
2. Is Paul teaching there is no value in Sabbath keeping?
3. Everyone starts their faith journey as an immature Christian. How has your faith been challenged by the actions of someone you considered to be a mature Christian?

#### Parallel passages for consideration:

- Acts 15:1-21 (V19) “And so my judgment is that we should not make it difficult for the Gentiles who are turning to God.”
- 1 Corinthians 8:1-13 (V13) So if what I eat causes another believer to sin, I will never eat meat again as long as I live—for I don’t want to cause another believer to stumble.
